Project Information (EN)

There is a strong call for a sustainable fashion industry among young fashion graduates, a sense of great anger in regards to the exploitation of people and the planet. Graduates want to have a say in the development of a circular and sustainable fashion

Projectinformatie (NL)

De roep om een duurzame mode-industrie onder jonge fashion graduates is groot. Er heerst grote boosheid over de exploitatie van mens en planeet. Graduates willen een stem hebben in de ontwikkeling van een circulaire en duurzame mode-industrie! Gelegen
