Textile Exit 26 presents bold textile works where craft, technology, colour and materiality meet, creating immersive experiences that engage all the senses.

Textile Exit 26 presenteert gedurfde textielwerken waarin vakmanschap, technologie, kleur en materialiteit samenkomen en meeslepende ervaringen creëren

Hosted by: The Swedish School of Textiles

Project Information (EN)

Textile Exit 26 explores bold textile expressions through craft, colour, technology and materiality.

Textile Exit 26 presents works by master's and bachelor's students in Textile Design at the Swedish School of Textiles. The exhibition explores immersive experiences where craft, technology, colour, texture and materiality meet. Through innovative processes and bold expressions, the students challenge boundaries between the physical and digital, sensual and practical, body and material. The exhibition invites visitors to engage with textiles in unexpected ways and experience new possibilities for textile design.

Projectinformatie (NL)

Textile Exit 26 verkent gedurfde textielexpressies via vakmanschap, kleur, technologie en materiaal.

Textile Exit 26 presenteert werk van master- en bachelorstudenten Textielontwerp aan de Swedish School of Textiles. De tentoonstelling verkent meeslepende ervaringen waarin vakmanschap, technologie, kleur, textuur en materialiteit samenkomen. Met innovatieve processen en gedurfde expressies vervagen de grenzen tussen fysiek en digitaal, zintuiglijk en praktisch, lichaam en materiaal. De tentoonstelling nodigt bezoekers uit textiel op onverwachte manieren te ervaren en nieuwe mogelijkheden voor textielontwerp te ontdekken.
