

Therapeutic makeup

Project Information (EN)

This design project urges us to question mainstream beauty standards, which normally remain unquestioned. Through deconstructing old standardized rules, a new process of makeup has been designed for people who wish to experience a journey of reflecting on

Projectinformatie (NL)

Makeup nowadays seeing by feminists as an empowerment tool, but if the “beauty outcome” remains the same as the one mainstream ones, can this tool do its job as an empowering tool? Should we really test the boundary of beauty first and then we can find ou
