## Project Information (EN)

### Event details:

22 October 2025

17:00-19:00

Manifestations

### Info:

On October 22st, Drinks, Pitches & Demos will be present at Manifestations during Dutch Design Week for a special edition to celebrate the intimate relation between innovation and humanity. How does technology shape us and how do we shape technology? What is the future of technology and how can we coexist with it? During this event, you will meet ambitious entrepreneurs who will pitch how their projects aim to revolutionize technology and provide solutions to today's world problems.

After a dynamic and fun pitching session, we will wrap it up with drinks and networking. This event is open to anybody, but please register confirm your presence.

### Sign up now:

Are you a start-up, designer or inventor and would like to pitch during the event? Please send an email to [info@hightechxl-plaza.com](mailto:info@hightechxl-plaza.com) with your contact details and a brief explanation of the subject of your pitch. Spots are limited, so sign-up now!
