Project Information (EN)

We produce our products in close collaboration with local craftsmen in a circular manner.

Re-occurring customer demands in combination with our years of experience in the interior- and furniture design markets led to the birth of Very. The resulting innovative concepts by our talented designers are made into high quality products through beautiful craftsmanship.

Projectinformatie (NL)

Very produceert innovatieve concepten op circulaire wijze in samenwerking met lokale vakmensen.

Terugkerende vragen uit onze klantenkring gecombineerd met onze jarenlange ervaring in de interieur- en meubelmarkten hebben geleid tot de geboorte van Very. De daaruit voortvloeiende innovatieve concepten door onze getalenteerde ontwerpers worden met vakmanschap omgezet in kwalitatief hoogstaande producten.
