DRIVE Festival 18-22 October

DRIVE is coming up again! Just like last year, the Design Research & Innovation Festival will take place in De Effenaar, during the Dutch Design Week. Health is on Wednesday 20 October, from 10.30 - 11.30. Where we want to further explore which methods ensure that healthcare providers and patients are more involved in the healthcare system of the future, and what this could look like.
