Project Information (EN)

Every night a different vibe

You can start your evening here with music, a drink, some food and a maybe even a little dance. It's the ideal place to hang out and have a drink after a busy DDW-day!

DAYDAYGAY

DayDayGay is a collective based on the need for queerness to be more visible in Eindhoven. As a platform for and by queers, we organize events that feature discussions, exhibitions, and dancing parties. At The Bar, dj's Space!Boy! and Basde.beer will focus on music by a kaleidoscope of queer musicians, as well as tunes from the underground scene with a housey vibe. Let's get you dancing and vogueing! See you at The Bar!
