

# The interior library for professionals

**Hosted by:** Broeiness

## Project Information (EN)

### **A library where you can complete your professionals interior project.**

Broeiness is closing the gap between creative and commercial individuals within the interior industry. Together with designers, makers & our partners we work to achieve a more sustainable living environment.

## Projectinformatie (NL)

### **Een bibliotheek waar jij je professionele interieur project kan uitwerken.**

Broeiness dicht de kloof tussen creatieve en commerciële individuen binnen de interieurbranche. Samen met ontwerpers, makers & onze partners werken we aan een duurzamere leefomgeving.
