

The Arctium

Exploring gender performance through footwear, collaboration & (digital) fiction.

Onderzoek naar genderprestaties door middel van schoenen, samenwerking en (digitale) fictie.

Hosted by: Lisa van der Plaetse

Project Information (EN)

Footwear

Through a fluid exchange of personal experiences challenging our concepts of reality, collective creation expands our gender imaginary by including a wider diversity of positions.

Projectinformatie (NL)

Schoenen

Through a fluid exchange of personal experiences challenging our concepts of reality, collective creation expands our gender imaginary by including a wider diversity of positions.
