

# brick walls and brick curtains and brick blankets

Material translation of old bricks from the demolished barn into new architectural and interior elements

*Materiële vertaling van oude bakstenen uit de gesloopte schuur naar nieuwe architectonische en interieurelementen*

**Hosted by:** Zuzanna Skurka

## Project Information (EN)

### Brick Textile / collaboration with Natural Material Studio

Brick Textiles from which the works have been crafted is a material produced in collaboration with Natural Material Studio. The first phase of the research was launched at the Alcova 2023 exhibition during the Milan Design Week.

#### Crafted bricks

The objects presented at the exhibition are handcrafted. The material was printed, knitted, painted, and extruded to produce surfaces of different visual and technical qualities.

## Projectinformatie (NL)

### Brick Textile / collaboration with Natural Material Studio

Brick Textiles waaruit de werken zijn vervaardigd, is een materiaal geproduceerd in samenwerking met Natural Material Studio. De eerste fase van het onderzoek werd gelanceerd op de tentoonstelling Alcova 2023 tijdens de Milan Design Week.

#### Crafted bricks

De objecten die op de tentoonstelling worden gepresenteerd, zijn handgemaakt. Het materiaal werd bedrukt, gebreid, geveerd en geëxtrudeerd om oppervlakken met verschillende visuele en technische kwaliteiten te produceren.
