Creativity, Collaboration, and Craft in Motion
A Journey into the Art of Stop Motion

Hosted by: Niels Hoebers

Project Information (EN)

Stop Motion Showcases

Experience a curated selection of our latest stop motion animations, sets and miniatures. Each piece is a testament to the art of storytelling through meticulously crafted visuals, blending traditional techniques with modern design elements.

Collaborative Projects

Discover the power of collaboration in design as we present a series of joint projects with other designers and artists. These works showcase how diverse creative minds come together to create great new stop motion pieces. Have a project or idea of your own? Come by to discuss potential collaborations and explore how we can bring your vision to life through the art of stop motion.
