

Senses - Opening Night/s

Celebrate with us and experience the performative design projects live in action at our art house.
Celebrate with us and experience the performative design projects live in action at our art house.

Hosted by: United Cowboys

Project Information (EN)

Design Performs

Step into the art house to experience a collection of work that represents a slightly different approach at the cross-section between design and performance. The work selected will activate your senses - the art house will be the place for you to take a break, to breath and to explore unexpected conceptional design approaches. Featured works by: Ashesh Gohil (IN), Sebastián Andrés Vis (NL), Jonas Howden Sjøvaag (NO), Cheung Qin (US), Parallel (Design Academy graduation student group) (NL), gender* reveal* party* (Social Design Master, Design Academy) (IT/ES/D), No Dog Duo (NL)
