

Talent Talks | Growing Pains

Project Information (EN)

We like to be in control. Our decisions are increasingly data-driven as we A/B-test, iterate, and growth-hack our way forward. But what do we really understand about growth? It has been one year since 24 talented makers from the fields of architecture,

Projectinformatie (NL)

We hebben graag de teugels in handen. Onze beslissingen zijn steeds vaker data-gedreven en we A/B-testen, itereren en growth-hacken ons een weg vooruit. Maar wat snappen we nou echt van groei? Er is één jaar verstreken sinds 24 getal
