

# Artificial Intelligence Training Center

## Project Information (EN)

Welcome to the Artificial Intelligence Training Center. In this lab a series of everyday products can be found that have acquired Artificial Intelligence, but require to be trained even more. It will be up to you to teach those products the right behavior

## Projectinformatie (NL)

Welkom bij het Artificial Intelligence Training Center. In dit lab vind je verschillende alledaagse producten die gebruik maken van Artificial Intelligence, maar nog niet goed genoeg getraind zijn. Het is aan jou om deze producten het goede gedrag aan te leren
