

The New Newsroom

Project Information (EN)

News apps, videos, podcasts, Twitter feeds, VR: we've come a long way since the days of the town crier or the printed press. Submerged in media, we have numerous ways to generate and share stories – literally at our fing

Projectinformatie (NL)

Nieuwsapps, video's, podcasts, Twitterfeeds, VR: de hoogtijdagen van de stadsomroeper en de drukpers liggen ver achter ons. Ondergedompeld in media hebben we talloze manieren letterlijk in handen om verhalen te vertellen en te
