

Plastic Stone Tiles

Project Information (EN)

This work is called "Plastic Stone Tiles – The Nature of Waste". These are tiles consisting of postconsumer plastic waste. Origin of the work were the questions, "What is waste?" and "Where is 'away'?". Waste is something subjective. What is cons

Projectinformatie (NL)

Dit werk wordt "Plastic Stone Tiles - The Nature of Waste" genoemd. Dit zijn tegels bestaande uit plastic afval van de consument. De vragen “Wat is verspilling?” en “Waar is ‘weg’?” vormden de basis voor Plastic Ston
