

TXTL

The TXTL exhibition show degree work of both bachelor and master candidates in textile design, at the Swedish school of textiles, University of Borås.

De TXTL expositie toont eindwerk van bachelor- en masterstudenten textielontwerp, afgestudeerd aan de Swedish School of Textiles, Universiteit Borås.

Hosted by: The Swedish school of textiles

Project Information (EN)

Driven by the curiosity for new material or the desire to challenge the existing boundaries of textile techniques, the students' works at the Swedish School of Textiles illustrate the visionary and the experimental standpoint of textile design an

Projectinformatie (NL)

Gedreven door een nieuwsgierigheid naar nieuwe materialen, en de wens om de bestaande grenzen van textiele technieken te verleggen, benadrukken de werken van de afgestudeerde studenten textielontwerp aan The Swedish School of Textiles de experimentele en
