

All-Inclusive Cyborg Talk: Transparency vs Privacy

Project Information (EN)

All-inclusive Cyborg Talk: Data ethics is becoming increasingly important in fashion and wearables design. Yet the big picture appears to be shadowy when it comes to big data and surveillance capitalism. Large companies and governments have oport

Projectinformatie (NL)

All-inclusive Cyborg Talk: Data-ethiek wordt in fashion en wearables design steeds belangrijker. Toch blijkt de big picture als het gaat om big data en surveillance capitalism schimmig. Grote bedrijven en overheden hebben mogelijkheden om nieuwe w
