

All-Inclusive Cyborg Talk: Pro's and Contra's of Biological & Synthetic Symbiosis

Project Information (EN)

All-Inclusive Cyborg Talk: We do not only become cyborgs at a level that is visible and recognizable to others. Synthetic and biological elements melt together. Not only do we become hybrid people, also what we eat, where we live, with whom we pro

Projectinformatie (NL)

All-Inclusive Cyborg Talk: Cyborgs worden we niet alleen op een voor ons zichtbaar en herkenbaar niveau. Synthetische en biologische elementen smelten samen. Niet alleen wij worden hybride postmensen, ook wat we eten, waar we wonen, met wie we nag
