

Learning from circular real estate design - Embassy of Circularity

Project Information (EN)

Learning from circular real estate design

In the real estate office market, we see successful circular development projects. The market also reveals the first experiences gained with residential real estate. Those involved will

Projectinformatie (NL)

Learning from circular real estate design

In de zakelijke markt Real Estate (kantoorgebouwen) zien we succesvolle circulaire ontwikkelprojecten. Ook zijn er eerste ervaringen in particulier vastgoed. In een open gesprek onderzo
