

Seamline Project

Hosted by: Veem

Project Information (EN)

Inspired by my experience through the architecture of Carlo Scarpa, I found the detail of connecting lines like a flow of the spirit of space, which build up the space atmosphere and its character. I wonder if these shape and lines could be expressed a

Projectinformatie (NL)

Geïnspireerd door de beleving van de architectuur van Carlo Scarpa, vond ik het detail van het verbinden van lijnen, als de flow van de ziel van ruimte, die de atmosfeer en zijn karakter creëert. Ik vraag me af of deze vormen en lijnen, de ziel van het mat
