

United Matters

Material Explorers, Critical Makers, Creative Catalysts

Hosted by: MA Material Futures, CSM

Project Information (EN)

United Matters is a London based collective comprising of Central Saint Martins graduates from MA Material Futures. We are tinkerers and meddlers, challenging how and why we make. We question the status-quo, confront systems and actively re-imagine the

Projectinformatie (NL)

United Matters is een in London gevestigd collectief bestaande uit afgestudeerden van de master Material Futures aan Central Saint Martins. We zijn knutselaars, bemiddelaars en bevragen hoe en waarom we maken. We stellen de status-quo ter discussie, gaan
