Project Information (EN)

The fashion industry is exploring how to become more circular. And one way of doing that is applying rental and leasing business models. Rental in fashion isn't new, but it's changing. Driven by fashion tech companies with expertise in reverse logistics a

Projectinformatie (NL)

De mode-industrie onderzoekt hoe ze meer circulair kunnen worden. En een manier om dat te doen, is het toepassen van huur- en leasemodellen. Verhuur in de mode is niet nieuw, maar het verandert. Gedreven door modetechnologiebedrijven met expertise in reve
