

Surplus presents : Rethink Processes

Rethink processes is exhibiting emerging creatives, enhancing their gameplay, acting on current design, on a quest to reshuffle the design expression.

Rethink Processes exposeert opkomende ontwerpers, omarmd hun methodes als reactie op hedendaags design.

Hosted by: Surplus Collective

Project Information (EN)

Rethink processes is exhibiting emerging designers and creatives, by enhancing their meticulous gameplay with industrial process, materials, forms and concepts of use. It is a raw expression of design current state, that exist between in a constant que

Projectinformatie (NL)

Rethink Processes exposeert opkomende ontwerpers, door het omarmen van hun omgang met industriële processen, materialen, vormen en concepten. Het is een ruwe expressie die ontstaat door een constante zoektocht naar het herorganiseren van de ontwerp standa
