

# MRI Scanner Range

Improving lives through the experiences we curate Design Talk by Florian Boulanger and Hyelin Lee, 13.30 and 15.00 hrs at the Philips Museum

*Het verbeteren van levens door de ervaringen die we verzorgen Design Talk door Florian Boulanger en Hyelin Lee, 13.30 en 15.00 uur, Philips Museum*

**Hosted by:** Philips Museum and Philips Experience Design

## Project Information (EN)

In order to design the next generation of MR technology, the Philips Experience Design team not only looked at how to leverage incredible advancements in technology, but also looked at the holistic patient and clinician experiences. The Philips Experie

## Projectinformatie (NL)

Om de volgende generatie MR-technologie te ontwerpen, keek het Philips Experience Design-team niet alleen naar technologische verbeteringen, maar ook naar de ervaringen van patiënten en medewerkers. Het Philips Experience Design-team gebruikte onder and
