

Co-creating more circular refugee camps

Let's explore tackling social and environmental challenges around refugee camps with circular business solutions from Dutch startups and enterprises.

Ontdek hoe jij met jouw bedrijf kunt bijdragen aan het creëren van meer duurzame circulaire vluchtelingenkampen

Hosted by: Outside Inc. BV

Project Information (EN)

Using design thinking we will innovate together and test and validate circular opportunities around Refugee Camps. We bring together: - Dutch (circular) entrepreneurs - Companies with an interest in circularity and making impact around refugee camp
