Project Information (EN)

The world in 2020 has taken a drastic turn, with the current pandemic and the urgent environmental threats, the dialogue with China is more pertinent than ever. BIAN 变, meaning change in Chinese refers to the Daoist "science of metamorphosis" which c

Projectinformatie (NL)

De wereld in 2020 heeft een drastische wending genomen - met de huidige crisis en de urgente milieubedreigingen is de dialoog met China relevanter dan ooit. BIAN 变, wat verandering betekent in het Chinees, verwijst naar de taoïstische "wetenschap van
