

Imagine future of jobs

Design learning experience about future of jobs for next generation

Hosted by: Wongsathon Choonhavan

Project Information (EN)

In the past, job situations didn't change much. Such as policemen, teachers exist in our whole life. But in the near future, The jobs will change faster. The report from World Economic Forum told us that By one popular estimate, 65 percent of children ent

Projectinformatie (NL)

In het verleden veranderden werksituaties niet veel. Net als politieagenten zijn er leraren in ons hele leven. Maar in de nabije toekomst zullen de banen sneller veranderen. Het rapport van het World Economic Forum vertelde ons dat volgens een populaire s
