Project Information (EN)

Technological developments and the rise of social media are putting more and more pressure on face-to-face contact. The recent Covid-19 pandemic is also contributing to this. We have become scared of each other, in order to prevent a possible infection. T

Projectinformatie (NL)

Technologische ontwikkelingen en de opkomst van sociale media zetten face to face contact steeds meer onder druk. Ook de recente pandemie draagt hieraan bij. We worden als het ware verplicht om verder van elkaar te leven Dit heeft een negatief effect op o
