

Bank of Care

In unpaid labour we trust

In onbetaalde arbeid vertrouwen we op

Hosted by: Class of 2020

Project Information (EN)

Bank of Care (BoC) works within the paradigm that the women-run non-market production in households is the basic human economy from which other economies derive. Despite being absolutely vital to the functioning of society, this economy is swept under the

Projectinformatie (NL)

Bank of Care (BoC) werkt binnen het paradigma dat de door vrouwen geleide productie in huishouden de basiseconomie vormt waarvan ander economieën afgeleid zijn. Al is deze economie absoluut essentieel voor een functionele samenleving, wordt het genegeerd
