

Deviation Space

A collection that questions and redefines the function of furniture in our domestic landscape after the pandemic.

Hosted by: Form&Seek

Project Information (EN)

The Deviation Space project is exploring the shift of the roles of our belongings after the global pandemic. This designer observes and reconstructs our personal relationships to our domestic landscape. When we were all forced to stay at home during th

Projectinformatie (NL)

Het Deviation Space-project onderzoekt de verschuiving van de rollen van onze bezittingen na de wereldwijde pandemie. Deze ontwerper observeert en reconstrueert onze persoonlijke relaties met ons huiselijke landschap. Toen we tijdens de pandemie allema
