

WDW United Gdynia Design Days

Attention

Attention

Hosted by: Gdynia Design Days

Project Information (EN)

The motto – 'Attention' – addresses the reality around us and the challenges faced by the world today. We live in times of crisis, but not just the health and economic crisis caused by the pandemic. There are many more – the climate crisis, overproduction

Projectinformatie (NL)

The motto – 'Attention' – addresses the reality around us and the challenges faced by the world today. We live in times of crisis, but not just the health and economic crisis caused by the pandemic. There are many more – the climate crisis, overproduction
