

# The Phantom of design

**Hosted by:** The Phantom of design

## Project Information (EN)

“The phantom is an architect, a designer, a composer, a magician: a genius turned to madness.” Today, more than ever before, the duration of an object’s life is extended indefinitely and multidimensionally by means of (digital) sketches, scans, photogr

## Projectinformatie (NL)

Tegenwoordig wordt, meer dan ooit tevoren, de levensduur van een object oneindig en multidimensionaal verlengd door middel van (digitale) schetsen, scans, foto's of virtueel 3D-gerenderde beelden. Deze kunnen allemaal worden beschouwd als hulpmiddelen om
