Project Information (EN)

We live in post-human environments. Our desire to perform beyond physical and mental limits and defy death, using every conceivable means, is already making us cyborgs. In addition, what we eat, where we live, with whom and with what we move, determines w

Projectinformatie (NL)

We leven in post-humane omgevingen. Onze wens om voorbij fysieke en mentale grenzen te presteren en de dood te trotseren, met inzet van alle denkbare middelen, maakt ons tot cyborgs. Daarnaast is wat we eten, waar we ons bevinden, met wie /wat we interact
