

# The Privacy Doctor

For all your questions about your digital privacy and security.

*Voor al je vragen over je digitale privacy en veiligheid.*

## Project Information (EN)

With medical problems you'd consult your local doctor to get advice and treatment. But what about digital issues? Violations of your digital privacy and security can influence your life equally to getting a STD. Yet there is no doctor you can visit who gi

## Projectinformatie (NL)

Bij medische ongemakken ga je naar de dokter voor advies en behandeling. Maar wat doe je bij digitale narigheid? Inbreuken op je digitale privacy kunnen je net zo duur komen te staan als een SOA. Toch is er geen dokter die je over digitale zaken kan advis
