

iGUANEYE Jungle

Barefoot comfort everywhere.

Project Information (EN)

The Jungle is inspired by the Amazonian Indians that used to dip their feet in liquid rubber from tree to protect them. With the iGUANEYE Jungle... ...your feet breathe, freed from the tightness of closed shoes, ...your feet are held, so you can run,

Projectinformatie (NL)

The Jungle is geïnspireerd door de Amazone-indianen die hun voeten in vloeibare rubber van bomen doopten om ze te beschermen. Met de iGUANEYE Jungle je voeten ademen, bevrijd van de strakheid van gesloten schoenen, ... je voeten worden vastge
