

Rethinking Closeness

Project Information (EN)

During COVID-19 closeness seems far away. Marked routes take control of our movement through space. Plexiglas and screens feel cold. I notice that contact in the form of seeing and hearing alone is not enough. One wants to feel the warmth and movement of

Projectinformatie (NL)

Tijdens COVID-19 lijkt nabijheid ver weg. Vastgelegde routes nemen controle over onze beweging door de ruimte. Plexiglas- en beeldschermen voelen koud aan. Ik merk dat contact in de vorm van alleen zien en horen niet voldoet. Men wil de warmte en bewegin
