

# Butts Ocean

Thank you for smoking!  
*Bedankt voor het roken!*

## Project Information (EN)

Butts Ocean started as graduation project at Politecnico of Milan. It is a collection of material samples obtained through different diy processes/hands on approach, whom a part of this collection, which I named butt\_er is among the finalists of Materia

## Projectinformatie (NL)

Butts Ocean begon als afstudeerproject bij Politecnico in Milaan. Het is een verzameling materiaalmonsters die zijn verkregen door middel van verschillende doe-het-zelfprocessen / praktische aanpak, die een deel van deze collectie, die ik butt\_er heb gen
