

Manifesto for a better world

“Design is power and we empower those working towards a better world.”

“Design is power and we empower those working towards a better world.”

Project Information (EN)

‘Manifesto for a better world’ is the conclusion of ST-DUO’s research into the value of design. It forms the vision of their identity design studio as well as it is a call to action to those who are needed to stimulate systematic change. ST-DUO believes d
