

The New Standard 2030

The Right Choice: a series of positive concepts

The Right Choice: een serie positieve concepten

Project Information (EN)

Netherlands - October 2030 | Purchasing new products is no longer permitted, adopting is. Retailers, manufacturers and consumers are working hand in hand to bring the impact of lifestyle products down to zero. Adopters and producers take their own roles i

Projectinformatie (NL)

Nederland - Oktober 2030 | Kopen van producten is niet langer meer toegestaan, adopteren wel. Retailers, industrie en consumenten werken hand in hand om de impact van lifestyle-artikelen tot nul terug te brengen. Adoptanten en producenten pakken hierin ie
