

Dear Trash.

A guide to establishing new relations between humans and trash.

A guide to establishing new relations between humans and trash.

Project Information (EN)

This is a project about a designer that wants to better her relationship with trash. How do you do that you ask? I started by writing letters to trash and care for it. Let me tell you the story.

Projectinformatie (NL)

Dear Trash is a project about a designer that wants to better her relationship with trash, by celebrating, loving, and eating it. How do you start a celebrating, loving, relationship with trash you ask? By writing it love letters, worship it and ca
