

Twirl Bowls

Project Information (EN)

The traditional method of running cornice has been used for centuries to embellish interiors and exteriors with plaster ornaments. Because the method has usually been used to make ornaments, it has become old-fashioned. By using the process to create cont

Projectinformatie (NL)

De traditionele techniek van het gips trekken wordt al eeuwenlang gebruikt om interieurs en exterieurs te verfraaien met gipsen ornamenten. De methode werd gebruikt om op de ouderwetse manier ornamenten te maken. Door het proces toe te passen in een eigen
