

DDW TALK - To reassure reality

How does the digital New Normal influences material design?

How does the digital New Normal influences material design?

Project Information (EN)

„We touch things to assure ourselves of reality. We touch the objects of our love. We touch the things we form. Our tactile experiences are elemental. If we reduce their range we grow lopsided“ writes Anni Albers, former Bauhaus artist and wife of Josef A

Projectinformatie (NL)

„We raken dingen aan om ons van de realiteit te verzekeren. We raken de objecten van onze liefde aan. We raken de dingen die we vormen. Onze tastervaringen zijn elementair. Als we hun bereik verkleinen, groeien we scheef “, schrijft Anni Albers, voormalig
