

Rethinking Closeness | Eva Visch

Project Information (EN)

During COVID-19, proximity seems far away. Recorded routes take control of our movement through space. Plexiglass and screens feel cold. Alumni Eva Visch noticed that contact in the form of only seeing and hearing was not enough. One wants to feel the war

Projectinformatie (NL)

Tijdens COVID-19 lijkt nabijheid ver weg. Vastgelegde routes nemen controle over onze beweging door de ruimte. Plexiglas- en beeldschermen voelen koud aan. Alumni Eva Visch merkt dat contact in de vorm van alleen zien en horen niet voldoet. Men wil de war
