

Greta

Project Information (EN)

The design off this table is based on the unique, almost obsessive, straightforwardness and drive of Greta Thunberg, the 17-year-old Swedish environmental activist. The characteristics of the concrete table top symbolize her strong drive. The rawness of

Projectinformatie (NL)

Het ontwerp voor deze tafel is gebaseerd op de unieke, bijna obsessieve, rechtlijnigheid, standvastigheid en gedrevenheid van Greta Thunberg, de 17-jarige Zweedse klimaatactiviste. De eigenschappen van het zware betonnen tafelblad symboliseren haar ster
