

SHELL by Studio Left

Project Information (EN)

The idea of enclosures has always interested us. As we crossed between disciplines in our day-to-day work, we got to work with different types of enclosures from each discipline. We realized that there were opportunities to blend archetypes and morphologi

Projectinformatie (NL)

Het idee van behuizingen heeft ons altijd geïnteresseerd. Terwijl wij ons bewogen tussen verschillende disciplines in ons dagelijks werk, werkten wij met verschillende typen behuizingen van verschillende disciplines. Wij realiseerden ons dat er mogelijhe
