

Image Space

Sick of post-processing a duck near a clock tower? How about a live image collage that can sample anything from the available optical space?

Sick of post-processing a duck near a clock tower? How about a live image collage that can sample anything from the available optical space?

Project Information (EN)

Inspired by the freedom of representation, where objects feel like they' re drawn from the imaginary and they appear to be pasted together in one frame - this fairy tale lasted until the begging of Renaissance (sometime in the thirteenth century) when the

Projectinformatie (NL)

Inspired by the freedom of representation, where objects feel like they' re drawn from the imaginary and they appear to be pasted together in one frame - this fairy tale lasted until the begging of Renaissance (sometime in the thirteenth century) when the
