

How Normal Am I?

Discover how algorithms judge you by looking at your face

Ontdek wat je gezicht verraad

Project Information (EN)

Dutch artist Tijmen Schep has created an interactive documentary that reveals how we are increasingly being judged on our face. For example, dating websites like Tinder uses these algorithms to match people who are about equally attractive. Algorithms tha

Projectinformatie (NL)

De Nederlandse kunstenaar Tijmen Schep ontwikkelde een interactieve documentaire die onthult hoe gezichtsherkenningss algoritmes naar je kijken, en wat voor conclusies er dan getrokken worden. Ze gebruikt dating website Tinder algoritmes die je schoonheid
