

Teunland

Creating is almost like therapy to me, these objects visualize my thoughts and feelings.

Creating is almost like therapy to me, these objects visualize my thoughts and feelings.

Project Information (EN)

‘Teunland’ is a project where my brain, expressions and feelings are visualized in objects. The objects represent the boredom I get while working on projects for too long. Its my mind shown in physical objects. I easily get distracted when I work on a pro

Projectinformatie (NL)

‘Teunland’ is a project where my brain, expressions and feelings are visualized in objects. The objects represent the boredom I get while working on projects for too long. Its my mind shown in physical objects. I easily get distracted when I work on a pro
