

Cloud Cover

Project Information (EN)

How is The Cloud as a data infrastructure symbolic or representative of what floats above us in the sky? We interact with The Cloud frequently on a daily basis through social media, streaming services, data storage, email, etc. We rarely think about ho

Projectinformatie (NL)

Hoe is The Cloud als data-infrastructuur symbolisch of representatief voor wat er boven ons in de lucht zweeft? We communiceren dagelijks regelmatig met The Cloud via sociale media, streamingdiensten, gegevensopslag, e-mail, enz. We denken zelden na ov
